

# Monaco

Monaco may only occupy a small portion of the world map, but what it lacks in size it makes up for triple-fold in personality. This city-state is a high-life hot spot and home to what is arguably the most stunning and demanding course in the Formula One Grand Prix.

## The epitome of refined elegance

Oceania Cruises' stunning *Riviera* has been designed to be distinctive and special in so many ways. Featuring the magnificent Lalique Grand Staircase, striking Owner's Suites furnished in Ralph Lauren Home, and designer touches throughout each space, this ship showcases rich residential design and furnishings. *Riviera's* refined ambiance truly embodies the unparalleled Oceania Cruises experience.

*Riviera* embraces the same warmth and charm of its renowned sister ships *Regatta*, *Insighnia*, *Nautica* and *Sirena*. And while the impeccable level of personalised service and the 'country club' casual ambiance remain the same, *Riviera* offers even more choices, as well as generous new amenities.

In the Artist Loft, talented artists-in-residence offer step-by-step instruction in everything from photography to painting to printmaking. Intimate spaces throughout the ship provide relaxing escapes while spacious accommodations in every category showcase luxurious designer touches and lavish bathrooms.

Designed with the ultimate epicurean and travel connoisseur in mind, *Riviera* offers guests multiple dining venues, of which six are open-seating gourmet restaurants with no surcharge. At La Reserve by Wine Spectator, take part in enlightening seminars, tastings, and gourmet food pairings, or experience The Culinary Centre, the only hands-on cooking school at sea which features a range of cooking classes hosted by master chefs.

Notably, the onboard experience continues to exude that comfortable familiarity guests have come to appreciate with Oceania Cruises, *Riviera* has just taken it to the next level.
