

Welcome to Annette and Hans' 'Sapori Tastes of Italy Tour' to the Dolomites and Puglia 17 September - 03 October 2019

Join us on a Sapori Tastes of Italy Tour

Our tours will suit those who would like to travel to Italy but do not want to take it on independently or travel in a large group.

This tour is at a very relaxed pace with three night stays in each place we visit. It not only offers daily trips and activities but we are also able to provide you with plenty of free time to relax and explore.

Every day two or three meals are included. You will not be constantly having to spend more money in order to get full enjoyment out of your holiday. The small group enables us to offer more personal care and attention to our passengers.

This year we have selected two very contrasting regions for our tour – we commence with the Italian Alps or Dolomites with its rugged mountains and lakes providing you with some spectacular scenery and then move to the Puglia region of southern Italy known for its rich history and incredible food where you will experience a very different part of Italy.

Please feel free to contact us without any obligation if you require further information or would like discuss the tour with us.

Tour Itinerary

Day 1 Tuesday 17 September

Arrival day Bologna – Transfer from the Airport to our hotel in the city centre. Welcome Drinks and Dinner (D)

Bologna is famous for its towers, churches and lengthy porticoes and has a well-preserved historical centre, thanks to a careful restoration and conservation policy which began at the end of the 1970s. Home to the oldest university in the world, the University of Bologna, established in 1088 AD, the city has a large student population that gives it a cosmopolitan character.

Day 2 Wednesday 18 September

Half day morning walking tour of Bologna followed by lunch at an authentic Italian delicatessen. Afternoon transfer by mini-coach to Merano (B,L,D)

Merano, the city of flowers, really became a famous vacation destination in the 1930s, when the local waters were discovered to have very unique healing powers. Overnight a spa industry blossomed and thrived here. You will have the opportunity to indulge in some spa therapy whilst we are here.

Day 3 Thursday 19 September

Day tour to spectacular Lake Resia with lunch onboard boat. On return to Merano the rest of the day is yours to do as you please. (B,L)

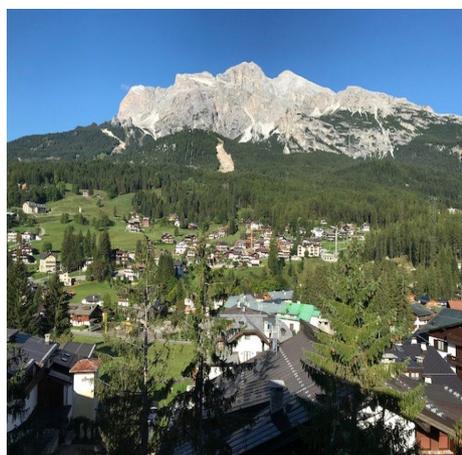

Day 4 Friday 20 September

Tour of Merano including Trautmannsdorf Gardens. Free afternoon in town followed by dinner at a brewery. (B,D)

Day 5 Saturday 21 September

Transfer Merano to Cortina with stops in Bolzano to visit the Ice Man Museum and spectacular Val Gardena for lunch. Further stops along the way to admire the incredible mountain scenery. (B,L,D)

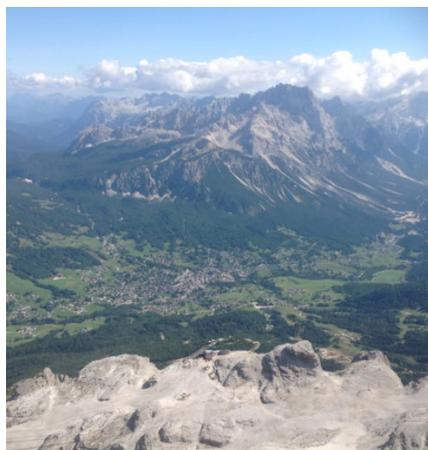

Day 6 Sunday 22 September

Day trip to beautiful Lake Misurina and after lunch a visit by jeep to the open air First World War Museum on top of Monte Piana which commemorates the fierce battles between the Italians and the Austrians (B,L)

Day 7 Monday 23 September

Take the cable car up to the top of one of the local mountains for some incredible views over the rugged Dolomites. Engage in a short hike or simply relax in the fresh mountain air. (B,D)

Day 8 Tuesday 24 September

Transfer from Cortina to Venice Airport via an area famous for its Prosecco wineries for tasting and a light lunch. Afternoon flight to Bari followed by transfer to Matera. (B,L,D)

Day 9 Wednesday 25 September

Morning walking tour of the treasures of Matera with free afternoon. (B,D)

Matera is a haunting and beautiful place. It is the most outstanding, intact example of a troglodyte settlement in the Mediterranean region, perfectly adapted to its terrain and ecosystem. The first inhabited zone dates from the Palaeolithic age. The Sassi and the Park of the Rupestrian Churches of Matera comprise a complex of houses, churches, monasteries and hermitages built into the natural caves dug into the rock itself.

Day 10 Thursday 26 September

Enjoy an informal Italian Cooking class in Matera followed by a free afternoon and evening. (B,L)

Day 11 Friday 27 September

Transfer to Masseria Valente near Ostuni in time for lunch followed by a free afternoon to enjoy the other facilities and amenities in addition to the amazing food. (B,L,D)

Masserias are unique to this part of southern Italy. They were farmhouses that were modelled on the classic Roman villa and built to function as self-sufficient communities. Many have been converted into farm stay accommodation. You will find staying at a Masseria a unique experience. You will be especially delighted with the 'cucina povera' or peasant cooking using the home-grown produce.

Day 12 Saturday 28 September

Full day visit to Alberobello and Polignano including light lunch (B,L,D)

Alberobello has been made a UNESCO World Heritage site for its unusual 'trulli', the characteristic white-washed conical-roofed houses of the area. A short drive down to the sea is Polignano which has an historic centre overlooking a spectacular coastline.

Day 13 Sunday 29 September

Winery and olive grove visits returning for lunch at Masseria Valente and dancing and dinner in Ostuni. (B,L,D)

We experience the growing and processing of some of the products the region is most famous for.

Day 14 Monday 30 September

Transfer to Lecce. Free afternoon to start to explore this intriguing ancient baroque city (B,D)

The rich Baroque architectural monuments found in Lecce has resulted in it being nicknamed "The Florence of the South". The city has a long traditional affinity with Greek culture going back to its foundation; the Messapii who founded the city are said to have been Cretans in Greek records. To this day, in the Grecìa Salentina, a group of towns not far from Lecce, the griko language is still spoken.

Day 15 Tuesday 01 October

Morning walking tour of Lecce with free afternoon and evening (B,D)

Day 16 Wednesday 02 October

Day trip to Otranto with boat charter including lunch. Return to Lecce for our final dinner. (B,L,D)

Otranto, the most eastern port in Italy was in its time a major point of departure for merchants, pilgrims and crusaders heading for the Orient and the Holy Land. Today it retains an attractive port and old quarter.
