Bringing the world closer

In 1848 three brothers - Fredrik Christian, Petter and Andreas Olsen - from the small town of Hvitsten in Norway, bought their first ships and began an international shipping company, which today is in its fifth generation. Over the years, the company has refined the cruising experience each one of its ships offer, focusing on one important thing - you.

Fred. Olsen Cruise Lines' fleet of five smaller, more intimate cruise ships offers a perfect balance of fun, entertainment and relaxation. From great bars and restaurants, to the golf nets or pool deck, every moment onboard is one well spent.

You can also expect superb service onboard your Fred. Olsen cruise. Feel at home from the very start as you are welcomed by the crew who will get to know you by name and what your favourite drink is. You will return home having made new lifelong friends.

Fred. Olsen also offers a wide range of shore tours to suit all interests and tastes, from gentle panoramic sightseeing to action-packed adventure tours, so every day presents an opportunity to make new memories.

In November 2018, join Fred. Olsen's special cruise event onboard *Braemar* commemorating the centenary of World War One. Each destination on this emotive itinerary offers you opportunities to pay your respects to the fallen at infamous battlefields, fascinating museums and iconic memorials.
